Berowra Community of Schools Day for Daniel/Colour Trek
Friday 30th October was a day to remember. I had goose bumps every time I looked at all the children from our schools. It was so good to see all the smiling faces of these children from the four local schools joining together on their trek for Daniel. What a way for children to learn about stranger danger! The list of positive outcomes and experiences for our children is endless. Many thanks to Taran Jones and all his many helpers and of course the principals from our neighbouring schools for this experience. A day many of us will never forget...and we have many incriminating photos to remind us.
I would also like to thank Nathan Hindmarsh – he gave of his time freely and joined in with all the children. Matt Kean always gives of his time and he thoroughly enjoyed every minute of the colour trek. What other politician would get ‘coloured’ for children at the local schools? Thanks heaps Matt and Nathan.

Morning Supervision
Morning Supervision commences at 8:50am. Before this time teachers are busily preparing for their day – they could be in their classroom, staffroom or usually in one of the many meetings they have to attend weekly. The playground is NOT supervised before 8:50am. If for some unforeseen reason your child is at school prior to 8:50am they should be either at BOOSH or sitting on the silver seats in the outdoor stage. Please do not leave your child at school prior to 8:50am as they will be unsupervised.

Student Parliament
Last week at Student Parliament I was so proud of every one of our students. Freyja C and Rowan S (3A) put forward a motion about having a stall at the Year 6 Mini Fete and donating all the funds to Cancer Research. Freyja told the school about how her father had cancer and the doctors were not able to cure him. The parliament was asked for children to speak for the motion. Dayna B (5B) stood up and spoke for the motion, telling us how she was a survivor of cancer. Jai C (6K) also spoke for the motion.
The Prime Minister then asked for children to speak against the motion. There was absolute silence and not one hand went up to refute this motion. I have never seen this happen before; we didn’t even have to vote on this motion as it was carried unanimously.
I am sure I wasn’t the only teacher in the hall with a tear in their eye. I know as parents we are always proud of our children but this experience was amazing and heart-warming. A very special moment for all involved.
Freyja and some of her classmates will be running a Lucky Dip Stall at the Yr6 Mini Fete with all proceeds going to Cancer Research. If you have any items you would like to donate this stall please send it along to 3A classroom. Most people know someone who has been touched by cancer but to hear a child tell their stories, it is definitely heart wrenching.

Congratulations
Ms Elky Roberts and Nicole T (2R) who both were awarded Met North AECG (Aborignal Education Consultative Group) Achievement Awards on Saturday, 7th November. These awards recognised the involvement, dedication and effort of students and teachers in their school communities.
Nicole was awarded hers for her dedication to her learning and outstanding improvements in all areas.
Ms Roberts was awarded hers for being an efficient, dedicated and enthusiastic educator. Ms Roberts also leads our Aboriginal Education Committee and leads our school in ensuring Aboriginal perspectives and respect of culture is immersed in all our learning.

Library News—Film Festival
What a wonderful day we had attending the Arts Alive Film Festival held at the Dendy Opera Quays Theatre. Year six students had created, directed, produced acted, filmed and edited a film commemorating the 100th anniversary of the Gallipoli landing. The whole of year six were involved and we are so very proud of their achievements. Their film “The Anzacs” was shown alongside films from other primary and secondary schools on the big screen at the Dendy Theatre. We were so excited and proud to see our film showcased at such a prestigious event. The children enjoyed seeing the entertaining films from other primary and secondary schools and felt proud and reassured that our film “The Anzacs” was up there amongst the best of them. They were awarded a Highly Commended—Best Music Film “Oscar” and a certificate of achievement. The year six student behaviour travelling on the trains and at the venue was exemplary. Thanks to all those budding film enthusiasts, cast and crew, Mrs Beckedahl and Mrs Krull for all your hard work and support.
Well Done everyone!

Kindergarten- The Happening Year!
A great deal of fun was had by all of the Kindergarten and Year 1 children, when Normanhurst Boys High school “Circus” came to town!
This term year 1 have been learning about poetry. We have started to make our own poetry books. This is 1T publishing and presenting their colour poems.

Become an Ethics Teacher or Coordinator at Berowra Public School

Primary Ethics provides the opportunity for NSW public primary school students who don’t attend scripture classes (SRE) to participate in philosophical ethics classes.

We have a few vacancies for volunteers to teach ethics classes in Stage 1 and Stage 3. The classes teach children how to approach ethical issues and develop their capacity for considered moral judgement, which will enable them to respond more thoughtfully to many of the problems and issues they will face in their lives. Volunteer Ethics Teachers are trained to deliver our age-appropriate curriculum every week and to use the accompanying learning and teaching materials.
