I would like to congratulate our students and staff on another very successful year of teaching and learning at BPS. I am very proud of the fact that all our students, regardless of their ability, have been given every possible opportunity to be challenged, achieve success and feel valued in our school.

During the year, a number of our students accepted new challenges – academic, sporting and cultural. Some entered external national competitions, absorbed themselves in enrichment activities and entered various competitions, while others represented our school at zone, district, state and national level sport. Many students began to learn instruments, dance and drama skills and had the courage to perform in front of audiences for the first time.

All our students have been supported by highly dedicated teachers. Our teachers are incredibly committed to the well-being of all our students. They not only have exceptional talent in the technicalities of teaching, they have enormous energy and determination. Each of them takes pride in their profession and responsibility for ensuring that our school is a wonderful example of holistic primary education. I am very grateful to them for their extraordinary work this year, and so proud to be the principal of a school that has that kind of expertise.

The office staff is always there to lend a helping hand to sick or upset children (or teachers). They keep our school community informed and our school on the right track! They are always approachable, supportive and happy to help with any enquiry.

A special thank you to our ‘teacher’s aides’ – Mrs Steel and Mrs Duffield – you are amazing and always support our students 100%.

I’d like to say a huge thank you to all the parents and community members who have supported our school throughout the year, as volunteers, drivers for excursions and of course those in various roles in the P and C who have worked tirelessly to raise funds for our children and supported us in so many other ways. We are indeed fortunate to have such a dedicated bunch of parents working in the best interest of our school.

Thanks also to BOOSH, you are fantastic. The wonderful staff at BOOSH always provides such interesting activities for our children. We are indeed fortunate to have such a dedicated out of school hours facility at BPS that works so closely with the teachers and parents.

Farewell
I am very sorry to say farewell to two outstanding teachers who have decided not return next year (even with me begging and nagging them). Mr Jones and Mr Wright will leave two huge holes to fill.

I wish them all the best and I am sure we will see them here next year on casual days.

Thank you and farewell to Mrs Webster who has been on 1C this term as an intern teacher. Mrs Webster will also be missed and we thank her for her amazing teaching this term.

2016
Looking at our numbers for 2016, we are again entitled to 16 classes from the department. We have scrimped and saved all year and with our staffing entitlements and our savings we will form 17 classes with the school paying for the extra class. This will lessen numbers in all classes and reduce the number of composites.

Classes for 2016

3 x Kindergarten classes - Mrs Layson (Kindergarten Supervisor)
2 x Year 1 classes

3 x Year 2 classes - Mrs Till (Assistant Principal Stage 1)

2 x Year 3 classes
1 x Year 3/4 class
2 x Year 4 classes - Mr Pritchard (Assistant Principal Stage 2)

2 x Year 5 classes
2 x Year 6 classes - Mrs Beckedahl (Assistant Principal Stage 3)

Please don’t email or ring me to request a specific teacher for 2016.

‘Whilst we will always listen to (and take into consideration) the concerns of parents, it is in the end, the decision of the principal and the school as to where the best learning setting is for each individual student. At the end of this year, class placements will be done by our teachers. Please do not send in requests for special placements as the teachers will ensure your child/ren will be placed in the perfect class for them.’

I wish you every happiness for Christmas and the New Year and have a safe and happy holiday. I am looking forward to seeing you all back, refreshed and rejuvenated, after the holidays.

SCHOOL BANKING—Volunteers (Mums or Dads) required for 2016 to assist with the Commonwealth Bank school banking program. This is done from the canteen on Tuesday mornings from 8.50am and requires approximately 1 hour of time from two people per week. Ideally if there are more volunteers then you will only be required every second week. Training will be provided. Please contact the office for further details. Unfortunately, if we don’t have enough volunteers the banking program may be unavailable through the school which would be disappointing for all the children currently saving their money.

CANTEEN—The last day for lunch orders is Friday 11th December. The canteen will be open for over the counter sales on Wednesday 16th December, for ice-blocks, cold drinks, chips etc. Thank you to all the wonderful helpers we have had in the canteen this year.

SCHOOL SUPPORT GROUP—I would like to thank all the helpers, adults and little ones, for all your hard work during 2015 especially our committee members Jaime S, Leanne P & Tracey S, plus this year’s fundraising organisers, Jodi L, Carolyn H, Cc, Jo H, Tammy A & Sarah W. School Support Group has raised over $15,000 for the school this year. This money has funded classroom resources, readers, Andrew Daddo’s author visit, stage 2 of the school Wi-fi network upgrade, library refurbishment and the end of year presentation awards. Last week we presented the school with a $5000 cheque for air-conditioning for rooms 1 and 2 in the E block (currently year 2 rooms). Finally I would like to thank the school community for supporting us in our fundraising activities. We look forward to a busy but fun filled 2016. Merry Christmas to you and your family. Chris Chu Chairperson.

UNIFORM SHOP—It’s been a big year! Thankyou to al the volunteers for everything you do. Your support is very much appreciated. As we draw to a close we must do a few essential things. Thursday 10th December is our last trading day Monday 13th December we will be undertaking our stocktake. We will open on Wednesday 27th January 2016 from 10am-12pm. Normal hours will commence on Thursday 28th January 2016 from 3pm and Monday 1st February 2016 from 9am. Next year, with regards to uniforms, we will be having some changes in the pricing. It is unfortunate but necessary. These will be implemented in the first term 2016. A new price list will be distributed when these changes come into effect. From all of us in the uniform shop have a Merry Christmas and a happy New Year.

COMMUNITY NEWS—Sydney Adventist Hospital is delighted to present its annual San Carols by Candlelight on
**Sunday 13th December.** Our Carols program will commence at 4.00pm with a range of activities for children including face painting, Christmas craft, butterfly house and many others. The children’s concert will commence at 7.00pm and the main Carols will commence at 8.00pm, concluding with a fireworks display.

**LIBRARY NEWS**

A huge thank you to all our wonderful parents who have assisted in the Library this year. To Natasha S and Sarah W for their superb running of the Book Club again this year. How lucky our children are to be able to choose their own books and benefit the school at the same time. Thank you too to Sherene M and Barbara J for their wonderful book covering expertise. To our capable and efficient library assistant Mrs Lawrie with invaluable help and from time to time from Mrs Lee. I am extremely grateful to these amazing helpers who add so much to the smooth running of our school library. Last but not least I would like to thank the parents and children for their support and enthusiastic participation of all aspects of the library. I wish you all a very Happy Christmas and a safe and fun holiday.

Thank you
Jennie Smith

**DRAMA NEWS**

What a wonderful year we have had in our drama this year. The children are so talented and enthusiastic and have become more confident and capable in so many drama aspect. Performing at NIDA in July was highlight, as was the school MADD concert in October. Some of our amazing year six children have written a play for our end of year celebrations and the junior drama are busy working their Christmas play performance to some classes during the last week. Thankyou parents and students for all your help, enthusiasm and participation. Have a joyous Christmas and a relaxing fun holiday.

ONLINE PAYMENTS
From Friday 4th December 2015

It will be possible for parents to make online school payments, from Friday 4th December 2015 to the school for amounts owing for students, via a secure payment page hosted by Westpac. Payments can be made using either a Visa or MasterCard credit or debit card. The payment page is accessed from the front page of the schools website by selecting $Make a payment$. Please do not click on this option until the go live date on the 4th December.

Items that can be paid include voluntary school contributions, subject contributions, excursions, sales to students and creative and practical arts activities. There is also a category called ‘Other’ which covers items not covered in the previous headings. Other can be used to make a complete payment of a school invoice.

When you access the $Make a payment$ you must enter:
- the students name, and
- class and reference number OR
- the students name, and
- date of birth.

These details are entered each time you make a payment as student information is not held within the payment system. There is also the option to enter the Student Registration Number and Invoice number, these are not used at our school, please leave blank.

This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner. These details are not passed back to the school.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed.

Details of the payments are passed daily to the school where they will be receipted against your child’s account. As a receipt has been issued from the payment page a further receipt will not be issued by the school.

For any enquiries regarding the Online Payment process please contact the School Administration Office by emailing berowra-p.school@det.nsw.edu.au or on 9456 1319.

FUNDRAISING
NAME LABELS

Please help Berowra Public School raise money when you are buying name labels for clothes, school items and lunch boxes etc.

By using a fundraising code (BPSS) that links to Berowra Public School, the school will receive a percentage of the money spent!

The websites we are registered with are :-

www.stuckonyou.com.au
www.brightstars.com.au

OUR SCHOOL FUNDRAISING CODE IS BPSS

To place an order, create a personal account online and then enter the fundraising code BPSS at the checkout/payment section. The code is the same for both organisations.

Money raised will go towards school resources and projects.

The simplest way
...to add veg to a barbecue.

The weather is warming up and so are the backyard barbecues. But it need not be an entirely meat affair. Here are some ideas for adding healthy veg to the barbecue:

Kebabs - capsicum, zucchini, eggplant and mushrooms work well. Add to pork, chicken or lamb.

Chips - slice potato or sweet potato, and grill on the hotplate.

Salad – grab some green leaves and toss in tomato, cucumber, carrot, beans, capsicum or whatever takes your fancy!

Veggie sticks and dip – chop up carrot, cucumber, and celery sticks to dip in yummy hummus, or an eggplant or beetroot dip.

The simplest way
...to provide cancer support at school.

Have you seen the Cancer Council’s national resource for school staff yet?
Cancer in the School Community – a free resource to support schools through a cancer diagnosis.

Every cancer diagnosis has a ripple effect. This book explores how school staff can support a student, parent or colleague through all stages of cancer.

A copy has been mailed to every NSW school principal.
For additional copies for your school:

**The simplest way**

...to disguise vegetables.

Can’t get the kids to go near the greens? Disguise is a great way to get them eating veg without the protests!

Here’s how:

- **Grate vegies into meat dishes**: carrot, zucchini, capsicum and celery work well in bolognese sauce, meat patties, meatballs, shepherd’s pie and tacos.
- **Add chopped vegies**: to quiches or omelettes – try mushroom, tomato, capsicum or zucchini.
- **Blend vegies in to saucses**: puree sweet potato, pumpkin or cauliflower.
- **Add extra vegies**: mushrooms, capsicum and pineapple are great on pizzas.
- **Add in other root veg to mashed potato**: pumpkin and sweet potato are favourites.

**The simplest way**

...to make fruit & veg festive!

Who says the festive season can’t be fun and healthy?

With these super-cute strawberry Santas, you’ll be wowing the Christmas crowds and feeding them nutritious fare too.

To make: hull and chop the top third off each strawberry; mix 100g cream cheese and 4 taps of icing sugar, and pipe mix on for face filling and hat pom pom; add raisins or mini choc bits for eyes. Easy!

Or try these eye-catching Christmas creations:

**The simplest way**

...to make tasty summer rolls.

Go for something different in the lunch box and swap a sandwich for a summer roll. These little morsels also make great after school snacks.

**Ingredients**

- The options are endless! A combination containing a few veg (grated carrot, finely sliced cucumber, avocado, snow peas) + noodles (vermicelli, rice stick) + meat (prawns, chicken, pork) + herbs (coriander, mint) works well, wrapped up in rice paper.

**Method**

Prepare filling.

- Soak the rice paper in warm water until just softened.
- Remove from the bowl and place on a plate.
- Divide filling and add each portion of rice paper.
- Fold over rice paper and roll up, pressing edge to seal.
- Repeat with remaining ingredients.

Cut rolls in half and serve with sweet chilli sauce.

**The simplest way**

...to get your vitamin D!

**Did you know:**

- Our bodies make vitamin D when skin is exposed to sunlight?
- We need vitamin D as well as calcium to maintain good health, in particular to keep our bones and muscles fit and strong?
- Sun protection is required when UV levels are 3 and above?

**Does sunscreen stop vitamin D?**

- Sunscreen filters out most, but not all UV radiation.
- People who use sunscreen regularly (when UV levels are 3 and above) don’t have lower vitamin D levels than people who do not use sunscreen.

Developing and implementing individual health care plans for students with more complex needs

An individual health care plan formalises the plan of support for students with complex health care needs.

The principal will initiate the development of such a plan in the following circumstances or when the situation is complex or where a plan would be of assistance in managing support for the student.

Individual health care plans should be developed for:
- severe asthma, type 1 diabetes, epilepsy and anaphylaxis
- any student who is diagnosed as being at risk of an emergency
- any student who requires the administration of specific health care procedures

Information from the student's medical practitioner, provided by parents, will inform the planning process.

The plan will describe the student's needs and how the school plans to meet these needs during the school day, on excursions and in other variations in school routine, such as sport.

The plan must also detail procedures to be followed if an emergency arises. Procedures need to be agreed between the parent and the school, following consultation with the relevant medical practitioner.

Plans should be reviewed annually or when the parent notifies the school that the student's health needs have changed. A review of a student's health care plan can also be instigated by the principal at other times.

The individual health care plan will:
- specify the student's specific health care needs
- describe agreed actions to meet these needs
- include emergency phone numbers for ambulance, the parent and an emergency contact
- include the phone number of the student's medical practitioner(s)
- includes attachments as relevant such as:
  - an emergency care/response plan
  - a statement of the agreed responsibilities of different people involved in support
  - a schedule for the administration of prescribed medication
  - a schedule for the administration of health care procedures
  - an authorisation to contact the medical practitioner
A template for the individual health care plan cover sheet is available from the school office.

The individual health care plan must address circumstances that may impact on the student's health care needs, such as variation in school routine, absence of staff, special transport arrangements, physical activity and environmental conditions.

The possible effects of emergencies arising at the same time with a number of students need to be considered and addressed in individual health care plans.

The principal develops and documents local procedures, which may include utilising the leadership of the deputy principal, other delegated executive staff and/or learning and support teams, to put processes in place to support students and the development of individual health care plans.

The principal is responsible for assessing, in consultation with appropriate school staff, the parent and the medical practitioner, how the school will meet the health care needs of the student. Health care planning needs to take account of the student's full range of learning and support needs.

The development of the individual health care plan may incorporate a risk management process to manage risk to the student or other students or staff.

The principal will arrange a meeting with the parent and appropriate school staff to discuss the management of the student's health care needs.

The meeting with the parent may be supported by input from the school counsellor, learning and engagement officer, members of the school's learning and support team, as appropriate.

A copy of the individual health care plan should be provided to the parent and for students with special transport needs, to relevant staff in the Special Transport Scheme.

In the event that a student changes schools, the parent should be encouraged to provide a copy of the individual health care plan to the new principal. This can assist the process of health care planning in the new school and can also assist the student's transition to that school.

If a health care plan is not in place for a student with medication the student will not be able to take part in off school site activities/excursions.
